INFORMATION DISCLOSURE STATEMENT

S I R:

In compliance with the duty of disclosure under 37 C.F.R. §1.56 and in accordance with the practice under 37 C.F.R. §§1.97 and 1.98, the Examiner's attention is directed to the documents listed on the enclosed Form PTO/SB/08a.

The single U.S. Patent listed on the enclosed PTO/SB/08a was previously listed in the Information Disclosure Statement dated January 14, 2004, on which a typographical error resulted in the listed U.S. Patent No. being incomplete. Applicant points out, nevertheless, that the previously-filed Information Disclosure Statement included a copy of the International Search Report in which that document was properly identified, as well an actual photocopy of the listed U.S. Patent. Thus, the complete U.S. Patent No. of the document should have been apparent to the Examiner in the previously-filed Information Disclosure Statement.

It is respectfully requested that the above information be considered by the Examiner and that the copy of the enclosed Form PTO/SB/08a be returned indicating that such information has been considered.

In accordance with 37 C.F.R §§1.97(g) and (h), the filing of this Information Disclosure Statement should not be construed as a representation that a search has been made or that information cited is, or is considered to be, material to patentability as defined in §1.56(b), or that any cited document listed or attached is (or constitutes) prior art. Unless otherwise indicated, the date of publication indicated for an item is taken from the face of the item and Applicant(s) reserve(s) the right to prove that the date of publication is in fact different.

If any fees or charges are required at this time, the same may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,

COHEN PONTANI LIEBERMAN & PAVANE LLP
